Dear [REDACTED]

Transmitted herewith are copies of Overseas Salary Disbursement Schedules applicable to [REDACTED], requesting an increase from \$200.00 to \$260.00 effective with the pay period 1-31 July 1957 and [REDACTED] requesting a change covering the period 1-30 June 1957 from \$200.00 to \$260.00.

As you are aware, these items have been the subject of considerable discussion, particularly by cable (see Message Nos. [REDACTED], dated 11 June, [REDACTED], dated 12 June, and [REDACTED] to you, dated 17 June 1957 as well as the references referred to in each of these cables).

It is hoped that all of this correspondence has not thrown the books of your company into a turmoil. It is suggested, if possible, that we accept the requests of each individual as presented for the reason that they have probably been paid in consonance with these documents at the forward base. If this is not possible and you desire adjustments made in the field, please inform me, giving specific details in order that instructions may be forwarded to my finance representative at [REDACTED].

In addition to the above, there is attached a copy of a request from [REDACTED] Jr., requesting an increase in his field allotment at [REDACTED] from \$150.00 to \$500.00 effective at the earliest practicable date. In view of the fact that I have been absent from the city for some period of time, your courtesy in establishing the effective date to me by cable on this individual will be appreciated. Your cable advice should be confirmed with a written notice at some early, convenient time.

Very truly yours,

Doug
